Holiday House Tour in Marion

Marion's annual Holiday House Tour will take place on Saturday, December 11 from 10:00 am to 4:00 pm. The theme, "From One Century to Another," will be professionally displayed by decade at Handy's Tavern on Front Street in the Marion Village.

Now in its thirteenth year, the Holiday House Tour is sponsored by Marion's Sippican Woman's Club. Six homes, their identities kept secret until tour day, will be open to ticket holders and decorated for the season, both Christmas and Hanukkah.

Included in the ticket price will be the Sugar Plum Tea from 1:30 to 4:30 at St. Gabriel's Episcopal Church in Marion Village. Holiday greens and arrangements will be for sale in the Music Hall, prepared by the Marion Garden Discussion Group. Luncheon, at an additional cost of $7, will be served in the Community Building of the Congregational Church in Marion Village from 11:00 am to 1:00 pm. Reservations (748-1053) are strongly suggested. Tickets for the Holiday House Tour (including the Sugar Plum Tea) are $12 in advance and $15 on Tour Day.

Advance tickets are now available at the Marion General Store, The Sitting Duck, The Bookstall, and Sippican Hardware in Marion; the Opulent Owl and Seaport Village Ice Cream and Coffee Shoppe in Mattapoisett; McGovern's Good Earth at G. Bourne Knowles in Fairhaven. On Tour Day, tickets may be purchased for $15 at the Music Hall (morning only) and Coldwell Banker Hayes Associates (both in Marion Village). Brochures will also be available at these two sites. All parking is at Island Wharf. Proceeds from the Holiday House Tour are donated to scholarships for area residents.

The last great Holiday Wreath and Decoration Sale of the century will also fill the Marion Music Hall on Front Street with pine and holly, bows and balls on the same day — Saturday, December 11. The Marion Garden Discussion Group will offer unique centerpieces, tree decorations and ornaments for holiday home and table or for greatly-appreciated gifts. There will be a "Wreath Bar" with a buffet of delightful decorations for your to create your own custom door decor. All profits will be dedicated toward the beautification of Marion for residents and visitors to enjoy. Come shop from 9:00 am to 4:00 pm (or until all the goodies are gone) and the group will hold your treasures for you while you go on the Holiday House Tour!

When students returned to Old Hammondtown School this fall they noticed something new hanging on the wall outside the school's cafetorium. It was the lettering that states the name given to that room at the assembly held on the last day of school in June.

To honor Mr. William Reed, who served as principal of the school from 1976 to 1994, the assembly room at Old Hammondtown School was selected as the

A letter informing Ms. Adams that the town was approved by the Underground Storage Tank (UST) Petroleum Product Cleanup Fund Administrative Review Board for a grant request of $36,398.61.

The Marine Advisory Board (MAB) recommended the board send "a letter to Taylor Aquaculture stressing concerns pertaining to his obligations regarding the contact he has with the town." The MAB's recommendations included that the seasonal channel markers which are required to be installed by April 15, 2000 be painted and consistent for both the inner and outer markers and that the current dog leg be corrected and the yellow perimeter markers for the south east and southwest corners be illuminated with higher intensity yellow flashing lights with year-round operation.

Under the Executive Secretary's Report, Ms. Adams noted the hours of the Mattapoisett Transfer Station are Thursday and Friday from 9:00 am to 3:00 pm and Saturday from 8:00 am to 3:00 pm.

The deadline date for submissions for the Annual Town Report is January 24, 2000. Submission date for Articles, Street Acceptances and Petitions for the Annual Town Meeting warrant is also January 24, 2000. Anyone planning to submit a Petition, Article or Street Acceptance and will for some reason not have the paper work completed by the deadline needs to notify Carol Adams by January 24.

The board met with Water/Sewer Superintendent William Nicholson and Water/Sewer Commissioners Donald Linhares, Gary Gasper and James Huntoon to discuss the details and progress of the seven current projects they have been working on.

Mr. Nicholson provided an in-depth account of the seven projects beginning with the Mattapoisett River Crossing for which Town

HOLIDAY DANGERS

What are the most serious holiday dangers to my pet?
The most common problem associated with pets and the Christmas season is the ingestion of tinsel by cats. The tinsel may become lodged in the intestine. The most common symptom is frequent vomiting over a short period of time.

I have heard poinsettias are poisonous. How dangerous are they?
When eaten, poinsettias cause irritation to the tongue and other tissues of the mouth and possibly the stomach. Thus they cause discomfort but probably not severe illness.

How dangerous is chocolate for pets?
Chocolate is a dose related poison as is coffee. A small amount of chocolate is not dangerous, however, when a 10 pound poodle eats a pound of bakers chocolate, the dogs life may be jeopardized. Early signs of chocolate poisoning are shaking and hyperactivity.

The staff of the Mattapoisett Animal Hospital wishes you and your family health and happiness in the holiday season and throughout 2000.

Meeting allocated $158,000. The project survey work has been completed and statistics are currently being gathered in regards to what now needs to be done and how to approach it. The survey should be ready by next spring with a timeline to begin work next summer.

The East End Water Tank Project which includes rehabilitating the 500,000-gallon tank is underway. Mr. Nicholson reported that this $200,000 project they are currently working on includes building the specifications for the plan this winter and they hope to start work by next summer.

The third and fourth projects were described by Mr. Nicholson as a two part-project that is focused on the design, placement and architecture of a new combo Fire and Water Department Building to be placed on the land behind the Police Department. The feasibility project to determine the needs for the building's size and placement with regards to traffic flow to the surrounding streets has been put into a draft proposal by the architect and reviewed by Mr. Nicholson and Fire Chief Ronald Scott.

"We have the property up there and the utilities," Mr. Nicholson said. "It's a really good spot provided the lot can take the building."

The fifth project Mr. Nicholson described to the board was the preliminary design of the water mains to the Mattapoisett Neck and Brandt Beach areas. He said they have been concerned with the problems they've been faced with due to the town's poor mapping and an aerial photography survey was the first step they had to take. "Though the costs are more ... it will pay off in the long run," Mr. Nicholson said, projecting that work will not be undertaken until 2001.

The sixth project has been the focus on the unlined cast iron mains in the town's water system that were initially installed in 1912-1913. "In the past there have been options which include digging them

up to be cleaned and mined, 'pigging' the lines with a soft material that is physically pushed into them with hydrolics bringing the lines back to their original shape," he said. He added they are trying to get a good handle on this project before beginning the work and they will be looking to bid for a low contractor to help them plan and get the project off the ground.

The seventh project which Mr. Nicholson and Mr. Huntoon concurred has been completed was the removal and replacement of the #4 water pumping station that was installed initially in 1971. This new pump will keep the station efficient, reliable and running according to Mr. Nicholson.

Other projects that have been completed this year include the completion of the Ned's Point Sewer Project that "I'm happy to say we have 120 extra potential lines for tie-ins," he said.

"It was very good to get the cooperation we received between the contractor and the Highway Department," added Mr. Huntoon.

A time line schedule report was presented to the board by Mr. Nicholson, putting the various projects that they are undertaking on paper. Selectman Denham's only concern with all the projects that the Water/Sewer Commission has undertaken, will the plans will have a long "shelf-life" in consideration of the money already spent in engineering if they take many years to come to fruition?

"We seem to be pretty ambitious in our planning," Selectman Denham said. Mr. Nicholson responded by stating that the gravity direction isn't something that is going to change and the best way to do the projects is to collect the sewage and then send it to a treatment plant. "We have a lot of irons in the fire and we're still looking to move forward," he said.

"I think there's more ambition to accomplish these projects now than there ever was," said Chairman Lambalot. "It's all about the quality of life and what we're willing to give and what we're willing to pay."

The board thanked the Water/Sewer Commissioners for presenting them with such an in-depth report and at 8:00 pm motioned to take a five-minute recess before going into Executive Session to discuss the bike path with Town Counsel. They would thereafter adjourn for the evening.

After signing the treasury warrant for the week and unanimously approving the minutes of the November 30 meeting, the board signed and approved a special license for a New Year's Eve Party to be held at the Marion Social Club and also a special license for an event to be held on December 18 from 6:00 to 9:00 pm at the Marion Music Hall.

At 7:05 pm the board met with Dorothy Drolett who wanted to present the board with a special 2000 calendar she made depicting various scenes throughout Marion. Ms. Drolett showed the various scenes for each month to those present and noted that only one image was photographed outside Marion: Eastover Farms and the Clydesdale horses in Rochester.

Chairman Schaefer thanked her for the gift. "This presents a very nice snapshot of our community and your love for it," she said.

At 7:10 pm the board unanimously voted to approve the various license renewals for fiscal year 2000 with the sole exception of Village Bakery which was later approved via majority vote with Selectman Dickerson abstaining.

Under incoming correspondence for the week, the board received notification from the Massachusetts Highway Department that Marion will receive $72,059.20 in Chapter 90 monies for fiscal year 2000.

The Massachusetts Department of Revenue (DOR) also sent notification that the town's locally assessed values of real and personal property has been certified for fiscal year 2000. The Board of Assessors have previously recommended and the board has previously voted to retain a single tax rate for both personal and commercial property in Marion.

Massachusetts Highway Commissioner Matthew Amorello sent a letter to the board reminding the town that the enforcement of posted weight limits on bridges within Marion is under their jurisdiction. The board noted that there is only one weight-posted bridge in Marion which spans across the Sippican River on County Road.

Shellfish Officer Kevin Snow sent a memo to the board advising that the seasonal closure of the Weweantic River from Dexter Beach north to Route 6 will be open as of December 6.

Mr. Pickles then presented the board with two contracts for CDM Engineering — one in the amount of $34,000 for a planning study to forecast the next permit limits at the Wastewater Treatment Plant, and the other for $53,000 for a Construction Services Contract and the hiring of an onsite engineer ("Clerk of the Works"). The board unanimously voted to authorize the chairman to sign the contracts on their behalf.

At 7:15 pm the board met with various members of the Marion

"See me for your project from start to finish"

Mattapoisett, MA **(508) 758-1385**

School Committee, the ORR District School Committee, and other school officials for an updated "State of the Schools" presentation. The purpose of the presentation was to bring residents up to speed on the building project at Sippican School, the future plans for the expansion of ORR Junior and Senior High Schools, and the overall goals for education.

Ben Bryant of the Sippican School Building Committee noted that they just published a new timeline for the project which makes up for the delays last summer in getting rid of asbestos from the site. "This allows us to continue on our current schedule without further delays," Mr. Bryant said. "We plan to open on time on September 5, with the new addition completed by the end of December, 2000. That will allow us to move into the classrooms one time during the Christmas break ... the final project looks to be completed in the spring of 2001."

A newsletter called the *Sippican School Building News* is being mailed to parents and others upon request. The newsletter highlights some key deadlines and the overall progress of the project.

Andrew Jeffrey of the ORR District School Committee reviewed some of the changes in the planned expansion at Old Rochester Regional Junior High School and Old Rochester Regional High School. He again confirmed student enrollment estimates for the next 15 to 20 years and stressed that the existing facility will no longer accommodate those numbers. "Within the next 15 to 18 years, we're going to max-out the site," he said. "If we don't build this high school in the next few years, we'll likely have trailers out there."

Given the limitations of the existing site — of which two-thirds is wetlands and cannot be built upon — the new plan calls for a common cafeteria and food preparation area connecting the two schools and some shared athletic areas. In order to meet the requirements and deadlines for state funding on the project, all three towns will hold Town Meetings in April of 2000 to vote on local funding for the expansion — Mattapoisett on April 10 and 11; Rochester on April 12; and Marion on April 24.

"While ORR may look nice, it doesn't really meet the needs of today's educators," Mr. Jeffrey said.

ORR School Superintendent Betty Quinn reviewed some of her personal long-term goals for education throughout the district and also advised that the Massachusetts Comprehensive Assessment System (MCAS) test results would be released this week on December 8. Ms. Quinn said the district plans to look at the results both on an individual basis and as an indication of the district's overall progress. Among her other primary goals: have a new principal selected and appointed for the junior high school by March of 2000 and one for the high school in April, 2000.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening.

Rochester Selectmen's Meeting

December 6, 1999

By Kenneth J. Souza

After the official Tree Lighting Ceremony outside of Town Hall, a regular meeting of the Rochester Board of Selectmen was called to order at 7:19 pm on Monday, December 6 by Chairman Richard Cutler. Also present were Selectman Patricia Ryan, Selectman Naida Parker, and Administrative Assistant Veronica Lafreniere. Town Administrator James Huntoon was not present for the meeting.

After unanimously approving the minutes of the November 29 meeting with some corrections, the board unanimously voted to approve the official naming of "Boxberry Lane" as per a recommendation from the Planning Board. They also signed and approved an Alcoholic Beverage Server's License for Towne Pizza & Restaurant with established hours as 10:30 am to 10:30 pm, Monday through Saturday, and 12:00 noon to 10:30 pm on Sunday.

The board also discussed their recent perambulation of the common town bounds with Wareham last weekend and said they would send a letter of appreciation to Wareham officials along with a certificate of perambulation.

Chairman Cutler informed his fellow board members of a recent presentation made to the emPOWERment group regarding street lights. According to Chairman Cutler, some of the larger communities in Massachusetts have been able to reduce their street light expenses by purchasing the lights and brackets outright from Com/Electric. Once said fixtures have been in use for 14 years, their depreciation is zero, and the town owns them. "Rochester only has fifteen street lights," he said, "but once we own the lights, we can lease (the fixtures)

Under incoming correspondence for the week, the board received notification from the Massachusetts Highway Department that the Town of Rochester will be receiving $148,445.01 in Chapter 90 funding for fiscal year 2000.

The board also received a letter from Richard Howland criticizing the recent behavior of a member of the Conservation Commission (ConCom). The board agreed to send a reply to Mr. Howland advising they had received his letter and would investigate this matter further.

Chairman Cutler noted receipt of a letter and questionnaire from the Plymouth County Commissioners regarding use of county services. The board agreed to have the questionnaire forwarded to all department heads for their input. "It's obvious to me that Rochester is not taking advantage of a lot of county programs," Chairman Cutler said.

Selectman Ryan also updated her fellow board members on the ongoing ambulance/paramedic issue

with St. Luke's Hospital. Selectman Ryan said that at the present time the hospital is proposing to provide some type of joint service for Acushnet, Mattapoisett and Rochester.

"It looks like we're talking about individual ambulance services for each of the three towns and a shared paramedic service," Chairman Cutler said.

"I'm keeping Rochester in the discussions because even though we don't use St. Luke's Hospital as much as Tobey Hospital, the decisions made here are going to create a ripple effect," Selectman Ryan said.

In other matters, the board:

• Voted to send a letter to the Massachusetts Highway Department in response to their suggestion that the town is responsible for repairs and maintenance to all bridges. "I'd recommend that we send a letter back to (the Massachusetts Highway Department) and advise that if they are inspecting bridges in Rochester, they should be sharing their information with the Board of Selectmen and Highway Surveyor," Chairman Cutler said.

• Agreed to hold payment of the latest Town Counsel Invoice from the firm of Perry, Hicks, Crotty, and Deshaies pending an explanation of expenses. "I have questions on a number of items," Chairman Cutler said. "I don't know why we're consulting Town Counsel on some of these things."

• Unanimously voted to appoint Patty Benner to the Cell Tower Siting Committee as per a recommendation from Chairman Mark Wellington. The

Letters to the Editor

To the Editor:

With the end of the year and the holiday season once again upon us, the Marion Local Scholarship/Education Fund Committee would like to remind all Marion taxpayers to please remember the Scholarship/Education Fund when receiving the yellow contribution form that will be enclosed with your tax bill. All contributions to the fund are fully tax-deductible. Voluntary donations can be made in celebration of a special person or event or in memory of someone special. Donations in any amount are always welcome and greatly appreciated.

This fund was established by Town Meeting in April 1994 and since that time, has awarded fourteen Marion residents scholarships based on their financial need, character, scholastic record, extracurricular activities, and involvement in community affairs. Eleven of the recipients have been graduates of Old Rochester Regional High School, one a graduate of Bishop Stang High School, one a graduate of Upper Cape Cod Voc-Tech, and one a Marion mother returning to school after taking time to raise her family. In addition to providing scholarships, the Education portion of the fund has awarded money to the Volunteers at Sippican School (VASE) Technology Fund drive to purchase a lap top computer for use at Sippican School.

Because of these awards the Marion Scholarship Fund is almost totally depleted. We hope to be able to award scholarships again this year to some of our worthy local students who need assistance in meeting the daunting cost of furthering their education and to be able to assist local schools.

To the Editor:

The Friends of Old Rochester Music (FORM) sincerely thank our sponsors for their support in helping us reach the goal of purchasing a brand new Kawai Artist Grand Piano for Old Rochester Regional High School. This piano replaces a forty-year-old Sohmer that was purchased when the high school was built. $12,000 was raised in less than a year by having patrons "purchase" the piano parts. We are thrilled with the response from the community and we are forever indebted to our sponsors for their generosity, appreciation of music and support of the ORR Music Department.
Sincerely,
Friends of Old Rochester Music (FORM)

Mattapoisett PTA Fund-raiser

The Mattapoisett PTA has found a great new fund-raiser for the local schools: www.SchoolCash.com. It's an online shopping service where you click onto the website, enter the registration number of either school — Center School (00438366) or Old Hammondtown School (00438378) — then just shop online as usual with popular merchants such as Amazon.com, EToys, Paul Frederick, Hickory Farms, and the like. The schools will earn six to ten percent of each sale! Parents, grandparents, friends ... this is a great opportunity to support the schools year-round! Thank you for your support.

Center School Holiday Show

Mattapoisett's Center School students in Grades 1 to 3 will participate in the holiday production, "Once on a Housetop" by John Jacobson and John Higgins. Come join a group of chimney sweeps as they dance across the rooftops of the town and discover the many different ways that families celebrate the winter holidays: from the candles of Hanukkah to bright piñatas, from a baby born in a stable to the uplifting message of Kwanzaa. Of course, we can't forget that big red fellow in the chimney!

In this annual time of renewal and rebirth, it is wonderful to celebrate our similarities and our diversity. The children will tell the story which combines both humor and warmth with original songs. The Intergenerational Chorus, which includes several grandparents and parents of Center School children, will join in this endeavor.

Please join Center School for an entertaining

The Marion Post Office and the Marion Business Community Association, Inc. will be sponsoring their fifth annual Christmas Stroll on Sunday, December 12 from 4:00 pm to 7:00 pm in downtown Marion. The stroll is the association's way of saying "thank you" to the people of Marion who have supported their businesses throughout the year.

On behalf of the Postal Service, an enlargement of the holiday commemorative stamp will be presented to the Marion Business Community Association to acknowledge the wonderful memories of Christmas, holidays and family that their efforts have brought to the children and the community of Marion. The holiday commemorative stamp depicts a fleet-footed deer as it prances across a colorful background of red, green, purple or blue. The deer stamps will adorn many holiday greeting cards this year as a token of friendship, cheer and goodwill.

There will be many activities during the Christmas Stroll including the Clydesdales, jugglers, strolling elves, appearances by Frosty and Rudolph along with refreshments and treats for the whole family. Santa

Financial Aid Night

The Old Rochester Guidance Department will sponsor the Annual Financial Aid Information Night on Wednesday, December 15 at 7:00 pm in the ORR High School Cafeteria. Parents or ORR seniors should make every effort to attend this most important and informative presentation.

Financial aid is a critical issue for all students contemplating post-secondary education. Students may qualify for aid for further education at a trade/technical school, community college, junior college or four-year college or university. All families are encouraged to apply for financial aid.

It is almost impossible to predict how this process may affect the students and the decisions which need to be made in the next few months. The financial aid process has changed and may be handled differently from one college to another. Filling out the forms correctly can eliminate delays which might jeopardize aid packages. The financial aid forms will be available at this meeting and will then be available in the Guidance Office during school hours. Each family, however, will be issued only one copy of the forms due to supply limitation.

The Guidance Department and Administrators urge seniors and their parents to set aside the evening of Wednesday, December 15. Information on local scholarships will also be available at this time. All ORR counselors will be in attendance and coffee will be served.

fund-raising activity. Once again this year, trees are on sale through Thursday, December 23 at Mike and Wayne's Police, Fire and Medical Equipment, 163 Huttleston Avenue (Route 6) between Papa Gino's and Bush Quality Cleaners.

The scouts do the actual "selling" and an adult parent is present at all times while trees are being sold. The hours of operation are Monday through Friday from 10:00 am to 8:30 pm and Saturday and Sunday from 9:00 am to 9:00 pm. Scouts work every evening and all weekend long. All trees are "priced" to sell. Employees of Mike and Wayne's are gracious enough to collect money for the scouts during the weekdays. You're invited to the Christmas Tree Sale to walk among the display and select a Balsam Fir from the large selection. For the best selection, come early and pick your tree!

Mattapoisett Firefighters' Auxiliary

The Mattapoisett Firefighters' Auxiliary has been in existence for over 20 years. The organization was originally founded by the wives and family members of the firefighters to assist in lengthy fires by providing water, coffee and food when necessary. Eventually fund-raising was started as a way to provide a yearly scholarship to the children, wives or very often the firefighters themselves. The Auxiliary has now become involved, over the last ten years, in community projects to help those in need. This years' fund-raising project is "Mattapoisett T-shirts." These T-shirts are available for $10 for adults sizes and $9 for children's sizes. You can

Box Tops for Mattapoisett

This year the Mattapoisett Elementary Schools are trying to raise money to purchase new software and books for the schools through a fund-raising program called General Mills Box Tops for Education. It's fun and easy: all you need to do is collect the box tops from participating General Mills cereals, snacks, and Yoplait yogurt multi-packs. Simply clip the box top logos and send them to school with your children. That's all there is to it! The more the schools collect, the more money they earn. The school gets 15 cents for each pink cereal box top and 10 cents for each green snacks and Yoplait box top. Collection boxes are located at the Mattapoisett Post Office, Mattapoisett Public Library, and Village Shoppe. Thanks for your support!

Project GROW Opening

If you are a Marion resident, have a child who was three years old by September 1, and your child is not currently enrolled in a preschool or child care program, you may be interested in an opening in the Sippican School preschool classroom. Project GROW is an integrated preschool program offering children with and without special needs a high quality, developmentally-appropriate preschool experience. Families are considered a part of the educational team and family involvement is an expectation of the program. The class meets Tuesday through Friday from 9:00 am to 1:00 pm and follows the public school calendar. The program is tuition-free. If you are interested in more information or an application, please contact the Early Childhood Office at 748-1863.

Rochester Journal Submissions

Do you have stories to tell about growing up in Rochester or about an interesting Rochester person, place or thing? Do you have artwork or photographs you'd like to share? Do you have a poem you've written, or a memory that needs to be written down?

Many residents have purchased copies of the *Rochester Journal: Diary of a Hometown*, and read the unique stories and memories that a number of people shared with them. The Friends of the Plumb Library are in the process of putting together volume two of the *Rochester Journal*. They are hoping to publish this volume in the spring, to coincide with the town's millennium celebration.

Please send your submissions as soon as you can. They will accept any type of material from adults, children, and young adults. They would particularly like to include more artwork and photographs, either of present-day Rochester or Rochester of yesteryear.

If you have stories to share but don't know where to begin, please contact Lucy Loomis at the Plumb Library at 763-8600 and she can work with you to get them down on paper. Each citizen's unique viewpoint is what makes the town so interesting and vital.

The deadline for submissions is December 31, 1999 ... but don't wait! Get your submissions in as soon as possible so they can begin working on this next volume of hometown memories.

Taizé Prayer in Marion

St. Gabriel's Episcopal Church in Marion, which brought the meditative worship of France's Taizé monastic community to the SouthCoast last year, has announced a new series of Taizé Prayer events for the 1999-2000 season. The half-hour services will be offered on the third Monday of each month at 5:30 pm.

Borrowing from a modern spiritual community in France, Taizé worship incorporates chant, silence, and beauty. It provides a refuge for those seeking faith, those wanting a grounding to see them through the stresses of life, and those who find themselves unmoved by formal religiosity. There are no sermons, announcements, or discussions — simply an environment inviting you to encounter God and yourself.

Taizé is a community of Christians from all denominations who seek global reconciliation. Formed in 1940 by a Protestant pastor named Brother Roger, the tiny French village of Taizé has evolved into a major pilgrimage site for young people and produced meditative music which is used the world over. Taizé worship is now offered monthly at Grace Church in New Bedford.

After the services at St. Gabriel's, participants will also have the opportunity to walk the Labyrinth, another form of meditative prayer. The Labyrinth, a winding path copied from a medieval pattern found the floor of Charles Cathedral, is open Monday evenings through Tuesday mornings in the St. Gabriel's Parish Hall. Persons of all faiths or none find taking this ancient symbolic journey to the center a unique way to meditate with their bodies.

Held in the chapel at the intersection of South and Front Streets in Marion, the Taizé Prayer events will run through May.

requirements. The program can also be used to hook up to public sewer when existing septic systems do not meet Title V requirements. This program is a combined effort of the Department of Environmental Protection, the Massachusetts Department of Revenue, Massachusetts Housing Finance Agency (MHFA), and the Mattapoisett Board of Health.

These loans are available to homeowners at interest rates of 0 percent, 3 percent, and 5 percent, depending on income, for loans ranging in size from a minimum of $1,000 to a maximum of $25,000. Qualified homeowners across the Commonwealth can access this low-interest rate loan program. Homeowners can stop by the Board of Health office to pick up the information, or it can be mailed to them by calling 758-4112. Please ask for Millie Mello or Dale Barrows.

Home Rehabilitation Loans

Low-interest home rehabilitation loans of up to $25,000 are now available to home owners in Bourne (Buzzards Bay), Marion and Rochester who meet the income criteria in a new state-sponsored pilot program offered through the Wareham Community Development Authority and Department.

"This is a wonderful opportunity for local home owners to fix up their homes before winters," said Gus Yankopoulos, Director of Wareham's Community Development Department. "The interest rates are only five percent, and home owners may choose from several repayment schedules."

According to Mr. Yankopoulos, home owners may use their loans to pay for a wide range of improvements, such as upgrades to plumbing, heating and wiring, carpentry, lead paint removal, installation of insulation and storm windows, and caulking. Community Development staff members will assist home owners in applying for the loan, choosing and paying a contractor of choice, and finding additional home-related programs for which they may qualify.

The Department is administering the year-long initiative, one of two pilot programs in the state funded by the Massachusetts Department of Housing and Community Development. For more information, please call the Wareham Community Development Department at 295-9344 and ask for "housing assistance."

Child Care Financial Aid

If it seems like most of the money that you earn as

a working parent is going right back out again to pay for preschool or child care, Community Partnerships for Children may be able to offer some help. Through a grant program from the Massachusetts Department of Education, working families are offered subsidies based on a sliding scale. The Early Childhood Office for the Old Rochester Regional School District manages this program for residents of Marion, Mattapoisett, and Rochester who earn a state median income or less ($54,000 for a family of four).

Several local preschools, child care centers, and family child care providers are a part of Old Rochester's partnership. Families may also choose a child care provider outside the tri-town area if it meets the criteria established by the Community Partnerships grant. Funds are currently available and are awarded on a first-come, first-served basis. For more information, please call the Early Childhood Office at 748-1863.

Movie Review

Bond & Gagged

BY ROB GONSALVES
local@wanderer.com

■ *The World Is Not Enough*. Starring Pierce Brosnan, Denise Richards, and Robert Carlyle. Directed by Michael Apted. Running time: 128 minutes. MPAA rating: PG-13. At Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

Every time a James Bond installment arrives, I'm left with the same question: Does 007 still matter? He matters a great deal to MGM, I'm sure, as long as he continues to make money for them; but really, I'm afraid the only meaning left in the franchise is the guarantee, every two years, of an action blow-out with a veneer of class. With Pierce Brosnan — a likable enough actor without too much personality to get in the way of the dumb thrills — firmly ensconced in the lead, the Bond movies are as big as ever, but also as redundant: Every damn time, some powerful nut will threaten world security; every damn time, Bond will put a stop to it.

The World Is Not Enough, the nineteenth episode in this interminable series, is easily the most boring of the three Brosnan adventures so far. (*The Thomas Crown Affair* with Brosnan, and even *Entrapment* with the definitive Bond, Sean Connery, were sleeker and more entertaining 007-style films than this.) As handled by Michael Apted, the latest gifted director to go where the cash is, the movie is a textbook example of craftsmanship without excitement. There's no *outlandishness* here; what little there is comes early, when Bond gets into a roaring boat chase, in a tiny speedboat that skips along the rough waves like a black triangular rock. That little boat hops across the water almost cheerfully, as if it were happy to get out for a ride; the boat gives the most charming performance in the movie. Once we come down from the giddiness of this scene, though, we're never raised back up again.

Once again, we have one of those solemnly incomprehensible plots — this one has to do with an oil heiress (Sophie Marceau) imperilled by a nasty terrorist named Renard (Robert Carlyle) who's after a nuclear warhead. The Bond films are always meaninglessly complicated; I lack the mystery-espionage-buff mindset necessary to understand them, so I've given up trying. Also along for the ride is the usual Bond beauty with an improbable name: Dr. Christmas Jones (Denise

Richards), a nuclear scientist (you are forgiven for snickering) with the usual bodacious curves and the usual lack of personality.

The Bond girls have always been mere eye candy, never interesting human beings on a level with Bond; even Michelle Yeoh, an exciting presence in Hong Kong movies, was thrown away in *Tomorrow Never Dies*. No one could say that Denise Richards, with her eager cheerleader grin, and Sophie Marceau, with her hooded eyes and soft smile, are not good eye candy; however, they're playing two of the most boring Bond girls ever, with performances to match. Whenever the movie cuts to Dame Judi Dench as M, Bond's iron-willed boss, we glimpse what a genuinely powerful woman — a genuine woman, period — looks like.

The World Is Not Enough also shares the weakness of the other two Brosnan Bonds: a tedious villain. Robert Carlyle has been great elsewhere (*Trainspotting*, *The Full Monty*, *Ravenous*), but as Renard, a scrawny villain with a bullet in his head that makes him impervious to pain, he just seems like a soccer hooligan who somehow commands a lot of armed men. The producers of these movies seem to have lost sight of what makes a good Bond villain: an actor having a grand time being diabolical. Carlyle just appears sickly, and vaguely angry at the world. (Perhaps Mike Myers' Dr. Evil is a hard act to follow.) A better villain might have been John Cleese, who's been cast here as R, the gadget guy replacing the retiring Q (Desmond Llewellyn). This movie tosses Cleese away in one quick scene, but I'm sure the producers will bring him back; they'd better, because his presence (and Judi Dench's) is about all that'll keep the 007 films interesting. As always, the movie ends with the promise, "James Bond Will Return." I'd have been happier to read "John Cleese Will Return."

AVOID FINANCIAL HEADACHES

Thinking about selling your home on your own? If so, you should commence a cram course in financing. How much money will you want down? How will you determine the prospect's credit history? Will you accept a second mortgage? Have you been in close contact with financial institutions, the FHA or VA? Can you advise a prospect where to get mortgage funds and who will pay what closing costs?

On the other hand, Realtors know that many sales are lost stricty for want of proper financing. They also know the intricate methods and sources of financing.

Honestly, the best way to market your home - probably your most valuble asset - is the professional way. Just as you would go to a doctor for medical aid, you should go to a Realtor for assistance in selling your home. It must make financial sense. Over 75% of all home sales are handled by people in the profession.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Travel looks awesome. If you can travel in connection with work, you should make a tidy profit.

Taurus (April 20-May 20). Treasures are to be found. Dig for them when far horizons beckon. Let an older person take the lead.

Gemini (May 21-June 21). You know that person who you always argue with? Don't even try it. More practical matters take precedence.

Cancer (June 22-July 22). You could work a few pounds off without much additional effort. You'll be kept racing later. A partner finally gives some assistance.

Leo (July 23-Aug. 22). Wonderful surprises are scheduled. You'll have too much of a good thing. Just do whatever your partner wants, and you'll be fine.

Virgo (Aug. 23-Sept. 22). Take care of business. Take it easy to avoid accidents and spills. Schedule your romantic interludes and your most important work for this weekend.

Libra (Sept. 23-Oct. 23). You could make amazing discoveries. Keep digging, and the truth will be revealed. You may have to abandon the quest, however. Domestic difficulties demand your attention.

Scorpio (Oct. 24-Nov. 21). Money's your theme, passion and obsession. You might find quite a lot of it, too. Practice new skills, and then put them to good use at home.

Sagittarius (Nov. 22-Dec. 21). You're looking good. Your self-esteem has grown, and with good reason. The check should arrive soon. Don't spend it all in one place.

Capricorn (Dec. 22-Jan. 19). A startling revelation may change your priorities. Keep most of what you learn to yourself. A new tool could help you make more money.

Aquarius (Jan. 20-Feb. 18). A friend could toss you a curve. You'll be startled, amazed, and may even decide to change your course.

Pisces (Feb. 19-March 20). Go along with what the boss wants. It may seem strange, but it'll make sense later. Your friends bail you out of a jam.

If You're Having a Birthday This Week: You might surprise yourself by becoming what you've always wanted to be. Put your ideas to work and increase your income.

Hospice is a comprehensive program of care in which physicians, nurses, counselors, and other professionals keep patients comfortable and alert at home while providing emotional and other support services to themselves and their family.

Hospice staff will present such subjects as basics of terminal care, death and dying, patient care, family concerns, bereavement and spiritual issues. The training is designed to help volunteers provide friendship, support, and practice assistance to terminally-ill patients and their families. Volunteers also provide much-needed indirect support by assisting in the office, in advisory capacities, fund-raising, and the like.

No commitment is requested until after completion of the training, and volunteers may donate as little as a few hours of their time each month to fit their personal schedules.

Hospice of Community Nurse offers complete at-home care, without regard to age, race, religion, diagnosis, or ability to pay, to terminally-ill persons and their families in the towns of Acushnet, Dartmouth,

Learning Points for Sippican

Sippican Elementary School in Marion is pleased to announce that it is participating in an exciting program that is bringing FREE technology to students and teachers across the country. Over 40,000 schools in the nation are registered in the AT&T Learning Points Program. This program brings important technology to schools by allowing AT&T Long Distance customers to help the registered school of their choice. For every dollar AT&T Residential Long Distance customers spend on qualifying phone calls (subject to availability, certain exclusions apply), AT&T automatically awards the school five Learning Points. The more supporters the school has, the more Learning Points it accumulates.

Participation in the Learning Points program does not impact supporters' rates, calling plans, or services. To direct Learning Points to the school of their choice, AT&T Residential Long Distance customers call 1-800-354-8800, extension 63168 and provide the school's account number. The account number for Sippican Elementary School is 00619584.

Whether they live across the street or across the country, any AT&T Residential Long Distance customer can help. It's simple, easy, and it really works. If you'd like to help, please call 1-800-354-8800, extension 63168, or visit www.att.com/learningpoints/.
